

## TALKED ABOUT IN WESTERLY

### Meeting of Seventh Day Baptist Missionary Society— Real Estate Transfers.

At an adjourned meeting of the Seventh Day Baptist Missionary society, favorable action was taken upon the report of the joint committee of the society and of the American Sabbath Tract society, that one corresponding secretary serve both societies. The secretary shall serve as executive officer. It was not deemed advisable for the joint secretary to engage extensively in the holding of revival services except as he should have oversight of such work carried on by other employees of the societies. It was agreed that the salary should not exceed \$1200 and rent, Rev. Edwin Shaw of Plainfield, N. J., was elected joint secretary. The salary is about \$400 less than that now received by Pastor Shaw, but it was considered unwise to pay more than the joint committee recommended.

A. S. Babcock presented resolutions on the death of Rev. E. B. Saunders, which were followed by eulogistic remarks by Rev. Clayton A. Burdick, E. Witter, Ira L. Cottrell and President William L. Clarke. Rev. Mr. Saunders, who was eleven years the corresponding secretary for the Seventh Day Baptist Missionary society, died suddenly in Washington, D. C. August 16, 1916.

Rev. Clapton A. Burdick and John H. Austin, the committee appointed on the advisability of a change in the amount of allowance to be given missionaries, while on furlough home, made report and recommended three-quarter allowance. The report was accepted and recommendation approved.

A communication was received from Dr. Rosa Palmberg, stating that she had been in Japan for her health and that upon her return and upon consultation with a physician, she is suffering from a complaint which will be incurable should she remain in the climate of China. She therefore must return to America and she suggested

the employment of Dr. Sinclair as her successor. The secretary was instructed to advise Dr. Palmberg to return as soon as she considered it necessary and the secretary was also instructed to write to Dr. Sinclair and ascertain if she can be secured as medical missionary in China.

Appropriation of \$500 was made for foreign and \$4,800 for home missions. It was voted to extend a call to Rev. Jesse E. Hutchins to engage as singing evangelist to assist Rev. D. Burdett Coon in evangelistic work at a salary of \$800 a year.

Rev. Samuel H. Davis, treasurer, submitted the quarterly report which showed a balance in the bank Oct. 1, 1916, of \$279.55.

Chief Engineer Samuel G. Cottrell has been advised that the new motor truck for the Alert Hook and Ladder company will arrive in Westerly today (Thursday). This machine was assembled in Massachusetts and is expected to be modern in the minutest details. The contract for the apparatus was awarded to the Maxim company that furnished the two pieces of motor apparatus now in service of the Westerly fire department. The Greenwich fire department is negotiating for the purchase of the horse-drawn hook and ladder truck. Just as soon as official tests are made, the apparatus will be formally accepted by the committee, composed of Chief Cottrell, Charles J. Butler and Everett Barnes, and placed in commission as soon as possible thereafter.

Coroner Edward A. Kingsley, of Westerly, acting for Coroner Spencer of the town of Hopkinton, commenced an inquest to place the responsibility of the death of William T. Sisson, aged 7, son of Edgar W. Sisson of Palmer street, Ashaway, who was instantly killed by an automobile while on the Potter Hill bridge late in the afternoon. The automobile was operated by Walter F. Mills of Hopkinton City who was employed in Westerly. William S. Champlin was the driver, occupant of the automobile.

Mr. Mills says that he was driving at the rate of ten miles an hour and that a wagon standing on the left side of the road obscured his vision of the mill near and that he did not see the boy who ran out from the mill until the boy was knocked down. Mr. Mills said that he did not even have the time to blow the horn before the fatality occurred. Dr. James Lewis was called, but the lad was dead before the physician arrived.

Dr. Michael H. Scanlon, medical examiner, was called from Westerly and made investigations and in response to the instant complaints of gross carelessness he notified the coroner, who decided that under the circumstances he would hold an inquest to ascertain if there was criminality connected with fatality. Representative Leverett A. Briggs and Thomas H. Green were eye witnesses and they among others will give testimony to the coroner. The Sisson boy was struck by the left fender of the car and dashed against the planking of the bridge with such force that the left side of his head was crushed. The Mills automobile brakes, which Medical Examiner Scanlon investigated were not in good working order.

**Local Laconics.**  
With the change in ownership of the Briggs building, the eight tenants are a trifle uneasy as to the intentions of the new owners.

Mr. and Mrs. J. Frank Champlin left Westerly Wednesday and will spend the winter in New York city.

One Westerly family has personal acquaintance with Captain Koenig of the Deutschland and will make him a call before the week ends.

The engagement has been announced of Rose Leibovitz, daughter of Mr. and Mrs. Nathan Leibovitz of Westerly, to Alexander Follock of Worcester, Mass.

Mendel Bloch, who purchased the Briggs building last Monday, has transferred the ownership to Frank S. Robbins of Worcester, Mass.

At the annual meeting of the Pastime and Social club William Lenihan was elected president; Robert Riche, secretary, and Jeremiah Shea, treasurer.

The contract has been awarded for a two-story frame house in Ashaway for A. Lloyd Briggs. It will be 28x48 feet, oak and hard floors, ten rooms, one fireplace, and sun parlor 10x19 feet.

The freshman class of the Westerly High school visited the Westerly public library Wednesday, in four divisions, an instructions as to the use of the library were given by Librarian Joseph A. Peacock.

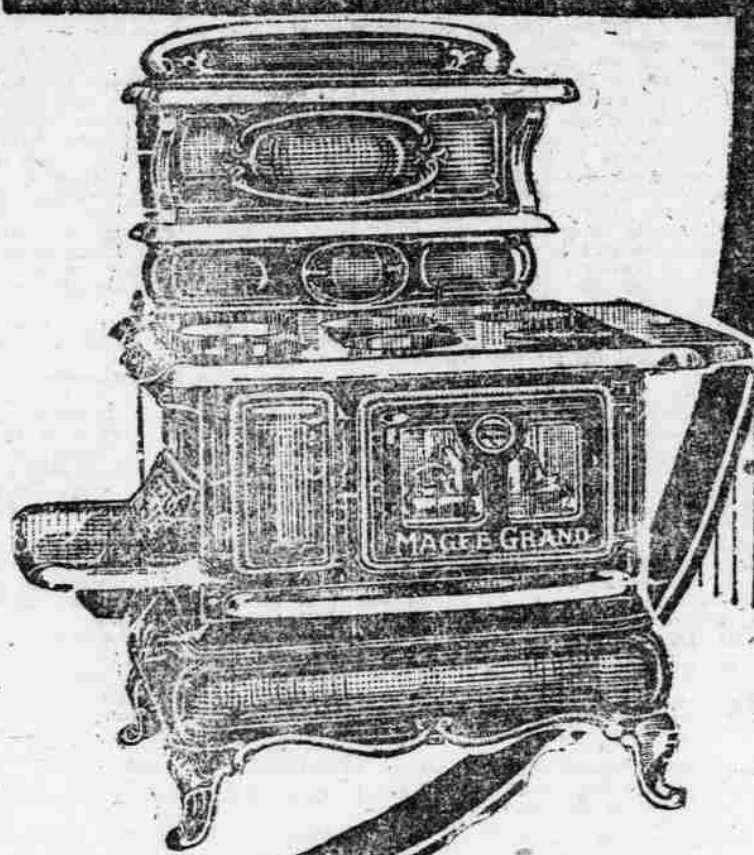

Addison Archie is having built in Beach street a two-story frame house, 36x28 feet, with patent shingles, eight rooms, one fireplace, steam heat, hard pine floors and electric lights.

Miss Natalie Hazard, an assistant librarian at the Westerly library, who has been on leave for three months, returned to duty on Wednesday, greatly improved in health.

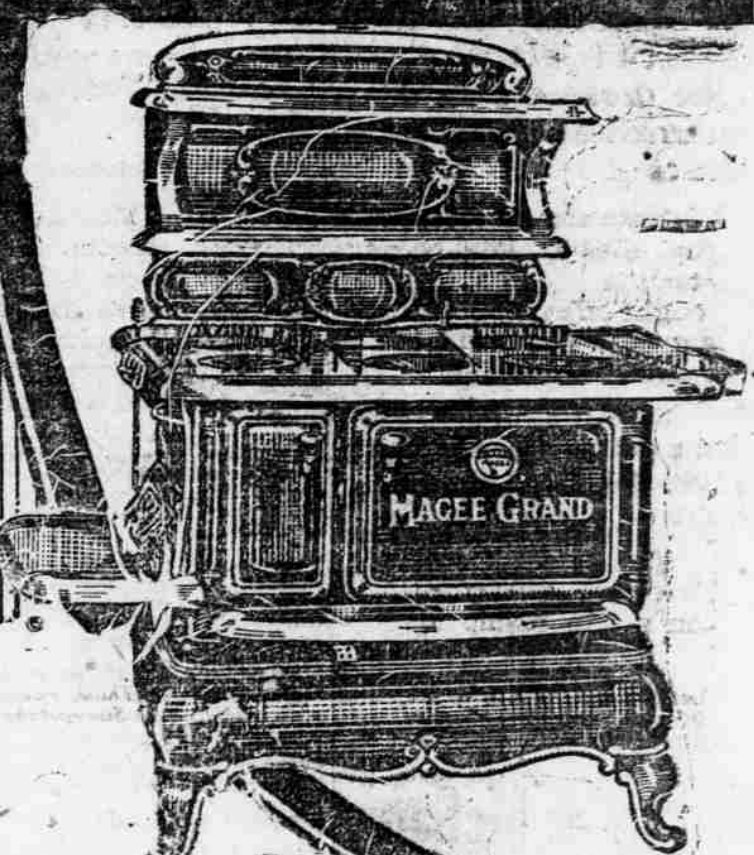

Now the Watch Hill fire district is considering the purchase of a fire-fighting apparatus like that of the Hoxie company of Mystic, which has several duplicates in the city of Providence. Definite action will be taken at the annual meeting which will be held during the summer season.

### GOING INTO DRYDOCK FOR FIRST TIME SINCE 1858.

The Frigate Constitution is to Have a New Bottom.

Boston, Nov. 1.—The frigate Constitution, relic of the early days of the United States navy, is going into drydock for the first time in nearly three score years, according to plans announced today at the Charlestown navy yard, where the old sea fighter is docked. In the last naval hull an

appropriation was made for repairing the ship, and as a new bottom is necessary she will have to go into drydock. The operation is regarded as a delicate one, for it is feared that the frigate's hull is not in condition to stand any great strain. The last time the Constitution was in drydock was in 1858.

### STONINGTON
